**Notice of the Disclosure Date of the Financial Results for the Second Quarter of the Fiscal Year Ending March 2021 and Cancellation of Financial Results Briefing at Venues**

Considering the lingering concerns about the COVID-19 pandemic, the Company resolved to refrain from holding the financial results briefing session (for institutional investors and analysts) at venues for the second quarter of this fiscal year; instead we plan to release the financial results briefing document and video of this second quarter on our website after the announcement of the financial results. We are truly sorry for those who had intended to participate in the briefing session, and we sincerely appreciate your kind understanding. Date, time and place of release of the financial results of this second quarter, accompanying financial results briefing document and video are as described below.

1. Date, time and place of release of the financial results for the second quarter of the fiscal year ending March 2021

(1)	Date and time	3:30 p.m., Friday, November 13, 2020
